

Fraser Valley Water Polo Club

Seeks Coaches to Grow With Us!

Fraser Valley Water Polo (FVWP) Club offers developmental and high performance training to 105 boys and girls ages 7 to 17 years. Our non profit amateur sports club seeks qualified applications for Coaching Staff for our Boys' & Girls' Programs for the upcoming 2010-11 season. FVWP Club takes great pride in our training programs which are all "Athlete Focused & Driven". Our quality programs are maintained by a Dynamic Coaching Staff & devoted FVWP Family Volunteers.

FVWP Club welcomes applications from dedicated individuals who possess:

- Genuine passion for polo and kids
- Minimum of 2 years water polo coaching experience
- Current Level 1 NCCP Certification - Coaching Association of Canada (CAC)
- (MED) Making Ethical Decisions Certification (CAC)
- By January 1st, 2011 NCCP Certification required by Water Polo Canada [please refer to 2011 Coach Certification Update listed below for details]
- Current NLS
- Current First Aid & CPR
- Criminal Record Check completed in prior 12 months
- Healthy sense of humour!

FVWP Coaching Contracts begin 2nd week of September 2010 through until May 31st 2011, dependent upon age division of athletes. Hours of work vary from 6-14 hours per week, plus availability for 6-10 tournaments [3-4 days usually over weekends] per season for tournament travel; also dependent upon age division of athletes.

Coaches are responsible for transportation to and from practice sessions as FVWP Club Teams train at various pools in the BC Lower Mainland. Compensation to commensurate with experience. Travel costs and per diems provided for Club related travel. Eligibility to work in Canada is mandatory.

APPLICATION DEADLINE: August 1st, 2010

Interested Applicants: Please forward resumes to: Karen Schaefer, FVWP Club President, at kschaefe@live.ca

2011 Coach Certification Update

Source: www.waterpolocanada.ca

Water Polo Canada would like to advise all clubs and their coaching staffs that in the 2011 National Club Championship season coaches must have the following NCCP certification as per the National Club Championship Handbook:

All coaches, Head Coach and all Assistant Coaches, attending the 16U male and female events must be certified Competition – Introduction “The Practice Coach” (which includes training, evaluation, and MED online evaluation) or Level 1 certified + Level 2 Technical + MED online evaluation for the 2011 Championship season and beyond.

All coaches, Head Coach and all Assistant Coaches, attending the 18U, 22U, and Senior male and female events must be trained in two (2) out of the six (6) NCCP Competition – Development multi-sport modules and successfully complete the online MED evaluation. Training workshops are organized and held by the Provincial Coaching Associations. Details about the NCCP Competition – Development coaching program can be found at www.waterpolo.ca/development.aspx.

*** NB The MED online evaluation only needs to be completed once. The MED certification will remain provided the coach is active.*
